## EDUCATION

### PVPSIT
**B.Tech in IT**
2018 - 2022 | Vijayawada, Andhra Pradesh ,CGPA: 8.59 / 10.0

### SARADA JR COLLEGE
**Intermediate**
2016-2018 | Vijayawada, Andhra Pradesh, Marks : 927/1000

### SRI CHAITANYA
**SSC**
2016 | Vijayawada, Andhra Pradesh,GPA: 9.2 / 10.0

## SKILLS

### PROGRAMMING LANGUAGES :

- Python
- Java
- Scala
- C++ STL

### OTHER TECHNICAL SKILLS :

- SQL
- Spark
- PySpark
- Hive
- Git

## ACHIEVEMENTS

- Currently ranking 1 on Geeksforgeeks from our institute.
- Codechef fizzbuzz
  Ranked 609 , 5142 participants
- Leetcode weekly contest 277:
  Ranked 6812 , 18385 pariticipants

## LINKS

- Github: **Github Link**
- LinkedIn: **Linkedin link**
- Geeks for geeks: **GFG link**
- Leetcode: **Leetcode link**

## PAST EXPERIENCE

### INTERNSHIP
**Cognizant**
Mar 2022 - July 2022
Trained on big data

## PROJECTS

### AUTOMATIC POWER CONTROLLER BASED ON THE TEMPERATURE
November 2019 - March 2020
In the present technological revolution automation system achieved great popularity in the last decades and it increases the comfort and quality of life. This project is mainly concentrated on the situations where electricity is used unnecessarily.

### ENCRYPTION AND DECRYPTION
April 2020 - December 2020
Developed my own algorithm which is used to encrypt and decrypt the text messages and deployed it on the internet.  **Click here to check**

### PORTFOLIO
February 2021 - April 2021
Created a portfolio website by using HTML, CSS and JavaScript and deployed it using heroku. You can find it here  **Click here to visit**

## CERTIFICATIONS

### SCALA AND FUNCTIONAL PROGRAMMING ESSENTIALS
Mar 2022 – June 2022 | Udemy

### THE ULTIMATE MY SQL BOOTCAMP: GO FROM SQL BEGINNER TO EXPERT
May 2021 – Aug 2021 | Udemy

### IOT TRAINING
May 2019 – June 2019 | Umbeo technologies

### PROGRAMMING WITH PYTHON
February 2019 – April 2019 | Internshala

### JAVA PROGRAMMING
October 2019 – February 2020 | Udemy

## AWARDS

- Secured first prize in a coding competition and was awarded with cash prize.
- Passed the assessment test for the skill Python by Hackerrank.  **Visit here**
- Passed the assessment test for the skill SQL by Hackerrank.  **Visit here**
- Passed the assessment test for the skill Problem solving by Hackerrank.  **Visit here**
- Passed the Scala assessment with a score of 92/100 in an internal assessment at cognizant.
